NOWOŚCI PRODUKTOWE 2022

KONCEPT

Koncept

Kolekcje składają się z paneli podstawowych MONO oraz dekorów z nadrukiem PRINT.

Nasze propozycje podzieliliśmy na dwa działy: TRENDS oraz KIDS.

Paleta barw podstawowych została starannie wyselekcjonowana spośród trendów zaczerpniętych ze świata mody, projektowania przestrzeni i designu.

Jakie formaty i kolory rekomendujemy dla różnorodnych koncepcji pomieszczeń? Zapraszamy do zapoznania się z ofertą.

Przyszłość wymaga od nas kreatywności i odwagi.

My jesteśmy gotowi!

Zespół STEGU
